William A. Stoever : Hitchhike the World: Book I: America, Europe, Africa before purchasing it in order to gage whether or not it would be worth my time, and all praised Hitchhike the World: Book I: America, Europe, Africa:

3 of 3 people found the following review helpful. Vagabonding in the 60sBy B. GoddardWhether hitching or taking local buses, many of us went on the road in the 60s and 70s in search of....well, there's the rub. I'm not so sure what we all went in search of, but we like the chickens were trying to get to the other side of the road. Book 1 resonated for me especially because Bill Stoever, like myself and hundreds of other young Americans, found himself in East Africa

with the Teachers for East Africa/TEA project. Many of us travelled but few kept journals, and most memories are just blurs. A segment of the population will respond knowingly to chapter 16. Bill has set a fine standard here, building no doubt on our colleague's Don Knies's foundational work, "Walk the Wide World," which appeared in 1958. I eagerly await Bill's sequel. 1 of 1 people found the following review helpful. great travelogue By Customer the author is a friend and I was thrilled to see his book finally published. his travel stories are fascinating, learned about a Bill Stoever that I did not know. loved it. 0 of 0 people found the following review helpful. AHS alum has a great time and read. By toyschach I saw the book in an Ames High alumni newsletter. Bill, it was great. It brought back a lot of memories. I hope the 2nd book is coming out soon. Kent Schach

Bill Stoever hitchhiked some 50,000 miles in the Americas, Europe, Africa, the Middle East and Asia. He recounts the triumphs and discomforts, the glorious adventures and lonely miseries, the dangers, diseases and detentions, the nice guys, weirdos and women that he experienced in 86 countries.
