Take note HR departments everywhere: if you really want to make sure the expatriate assignment is a success, tell your people how to come home....

Like the move overseas, the move home relies on a solid and stable person to act as the emotional touchstone in order to help everyone else in the family through re-entry shock. That someone is typically the spouse. *Homeward Bound* is a repatriation reality check to help spouses create new, meaningful lives when they return from abroad.
