GREAT TUTTLE TRAVEL PACK for HONG KONG By Anthony Ostheimer Very informative, by a long term resident and experienced travel writer who actually lived in HK while editor at 'Time Out', HK. The format, firm binder and great handy but strong, removeable Map mean its perfect for the independent traveller and visitor. 3 of 4 people found the following review helpful. Compact guidebook delivers. By William Temanu This is a good concise book of the highlights of Hong Kong, including brief descriptions of the outlying islands. However, not as good as DK's Top Ten Hong Kong 1 of 2 people found the following review helpful. Five Stars By Bradley Rosenberg Really enjoyed this book. Simple and well written gave me a good overview even though outdated

"The easy-to-use guide is illustrated with beautiful photos and useful detailed maps." The Nation "Having grown up in Hong Kong, Simon Ostheimer knows the city intimately, from its busy harbour to its chilled-out beaches, its historic neighbourhoods to its startlingly modern CBD. And it's this passion and affinity for the city that makes the Tuttle Travel Pack so useful." Vacations Travel Magazine "Shortlist the best spots and sites of Thailand with this compact and informative guide written by a well-traveled expat." Travel Life Magazine About the Author Simon Ostheimer grew up in colonial Hong Kong as the son of a British civil servant and has always felt more at home in Asia than anywhere else exploring the streets of Saigon, wandering through the museums of Singapore, playing on the beaches of Boracay, and eating char kway teow at the food stalls of Penang during family holidays. This probably explains why, after an abortive attempt at life in the U.K., he later became an Asia-roaming editor and writer, spending several years working at magazines in China (Shanghai, Beijing, and Hong Kong) before trying Kuala Lumpur and then Bangkok. When he is not island-hopping across the region, his greatest passion is trying new Asian street food he feels that the multicultural mix of people found across the continent makes for the most enjoyable cuisines in the world.
