The definitive guide to fishing and exploring the coasts of the Baja California Peninsula. Much more than a simple fishing guide, *Hooked on Baja* incorporates many true-life adventures from some of Baja's foremost outdoors personalities along with travel information, deliciously authentic south-of-the-border recipes and, for those who end up being "hooked on Baja" themselves, vital information on how to go about purchasing and legally securing real estate property along the picturesque coast of the Baja California peninsula.

About the Author Tom Gatch has built a solid reputation as one of the foremost authors focusing on outdoor and recreational topics in southern California. His widely read "south of the Border" column appears in each edition of "The Log: SoCal's #1 Boating Fishing Newspaper", and his popular "Hooked on Baja" column is published in the "Baja Times". He lives in San Diego, CA.
