Michael C. Yager : Horse Trails of Arizona: Mountain Trails and Camps before purchasing it in order to gage whether or not it would be worth my time, and all praised Horse Trails of Arizona: Mountain Trails and Camps:

0 of 0 people found the following review helpful. Five Stars By John Dopp Good book...5 of 5 people found the following review helpful. Not very thorough By my3bayhorses This has some good basic information, but I am glad I went to check out some of the trailheads ahead of time without the trailer-- some of the roads are pretty rough and not accessible with a bigger rig. I would have liked more information and description of the trails being new to the area.

But it's a good starting point if you are looking for places to ride.0 of 0 people found the following review helpful.
Two StarsBy don buddincomplete information

262 trails in Arizona's six national forests. A practical guide to the high country. Detailed listings and useful tips
