Mike Riccetti : Houston Dining on the Cheap - A Guide to the Best Inexpensive Restaurants in Houston - First Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Houston Dining on the Cheap - A Guide to the Best Inexpensive Restaurants in Houston - First Edition:

2 of 2 people found the following review helpful. Old Favorites and New SurprisesBy A CustomerWho knew that the

Chinese food restaurant around the corner (which we had never bothered to try!) was a hidden gem? Mike Riccetti did! Besides some of the Houston standards, there are many pleasant surprise choices in this book. Reviews are accurate representations and include info on atmosphere, drinks, and "what to order." Riccetti advises on places with breakfast specials and lunch bargains as well. Some of Houston's best restaurants offer good deals at lunch - he'll tell you which ones. Restaurants reviewed heavily favor Vietnamese, Mexican, etc, but will give you the courage to try some of those strip-mall joints you've wondered about (you'll be pleased!). Most restaurants are inside the Beltway/near the Loop but there are a few on the outskirts as well. Indexed by cuisine type, meal, location, etc. Very easy to find what you want. Call ahead, however - some of the information is already outdated due to the rapidly changing nature of the restaurant industry.0 of 0 people found the following review helpful. Expand your Houston eatery horizons!!By Mary D. HaperWe keep this book in our car. It is organized by area of town, and neighborhoods so suggestions on where to eat are easy to find. We have tried several places already and were well-pleased with the food, decor, etc., which match the book's description. Houston is a wealth of culturally diverse restaurants and many of them are listed in this book. Don't be fooled by the word "cheap" as the food is really good! And this book will be a great add to the phone book you also keep in your car!!0 of 0 people found the following review helpful. Four StarsBy debbie jGood dining guide for Houston residents and visitors.

This is the first guidebook dedicated to the best inexpensive and moderately priced restaurants in Houston, one of the most diverse and most interesting restaurant cities in the country. Great Tex-Mex and hickory- and pecan-smoked barbecue are barely scratching the surface among the 250-plus eateries that are recommended and profiled in this accurate, informative and entertaining guide.

"...a worthwhile guide to more than 260 inexpensive eateries of every variety." -- Laurann Claridge - Paper City, January 5, 2002"...is remarkably comprehensive...and offers an excellent round-up of 260-plus local cheapies.... Nicely done." -- My Table Magazine"It's a fun book to read because Riccetti eats - and writes - like a regular guy." -- Ken Hoffman - Houston Chronicle, January 9, 2002About the AuthorMike Riccetti is a long time resident of Houston and has degrees from The University of Texas at Austin and Cornell University. He currently lives, works, and dines cheaply and often in Houston.
