About Expert: Kacey Andreacola graduated from the University of Arizona with an English degree after getting married the previous weekend. She and her husband then spent 4 months backpacking Europe as the first step in fulfilling their dream of adventure. They loosely planned out their trip but made plenty of adjustments as they learned along the way. Kacey and her husband moved from Tucson, AZ to Seattle, WA where she now writes, edits and works at a non-profit that ships medical supplies overseas. She loves reading, blogging (sundaycereal.wordpress.com), drinking coffee, planning new adventures and enjoying the natural beauty all around her.
