the book consists of very obvious stuff. Not much in the way of specific help. For example, only 4 pages on the whole Auckland region. For the attractions listed, there is no mention of prices-- also no mention that there is even a fee. I expected a book highlighting all the free/low cost things you can do in New Zealand. I was very disappointed. 0 of 1 people found the following review helpful. OkayBy J. LaMarreIt was okay.
