This expanded edition of "How To Get From The Airport To The City" is published annually. This is a pocket-sized guide to ground transportation from airport to city centre aims to be a useful tool for every flyer, frequent and not so frequent. Covering more than 360 airports worldwide from Abidjan to Zurich (178 in the United States and 186 abroad), "Airport to the City" details all of the available options - including bus, subway, train, cab, van and more - and provides schedules, fares, length of trip, tipping suggestions, notes on luggage space, availability and cost of long and short-term parking, names of car-rental companies with in-terminal offices, and much more.
