Joy McGregor, Margaret Nydell : How to Live and Work in Saudi Arabia before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Live and Work in Saudi Arabia:

A book aimed at people who intend living in Saudi Arabia on a temporary or permanent basis. It covers such practical topics as entry requirements, transportation, money matters, housing, schools, insurance and many others. It also includes information on Saudi Arabian values, customs, business practices and etiquette, and general background information.
