Herb Lester : How to Read the Menu: France, Italy and Spain before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Read the Menu: France, Italy and Spain:

1 of 1 people found the following review helpful. A nice traveling companionBy runr1971Bought this for my daughter who was traveling to Spain and had been to France a couple times. She loved them! They were smaller than I had anticipated, but for her they were the perfect size. She got good use out of them.0 of 0 people found the following review helpful. Great item for the US traveler who visits these countriesBy Dianne P.Great item for the US traveler who visits these countries... perfect fit in a jeans pocket and convenient when there is no wifi to check your phone for translation!0 of 0 people found the following review helpful. Five StarsBy NicoleTeeny tiny, but so thorough!

At just 24 pages each, and no bigger than a credit card, these three books are an easy guide through the complexity and potential confusion of dining in France, Italy and Spain. This set of phrase books is designed specifically for use in restaurants; the simple A-Z listing makes it easy to find items that perplex the diner, allowing for navigation around ingredients that offend, disgust or just don't appeal. Their compact size means there's none of the embarrassment of referring to a large book and, with everything on the printed page, no data roaming charges to worry about.Sold as a

set of three in a handy folded wallet, these guides are as discreet as they are useful; the next best thing to having your own interpreter.* Enough information to help you navigate a tricky menu* Small enough to keep with your credit card* Fits in any wallet* Simple A-Z listing* Ideal for allergy sufferers* Rounded corners to prevent dog-ears

About the AuthorFounded in 2010, London-based Herb Lester Associates publish compact guides to the worlds great cities. Each one is tightly focused, exploring specific themes and aspects of the destination, highlighting what makes it distinctive. Herb Lester guides have been recommended by The Guardian, The Daily Telegraph, The Financial Times, Monocle, Lonely Planet Traveller, Harpers Bazaar, GQ, Le Monde and more.Excerpt. Reprinted by permission. All rights reserved.This book makes it easy to find the things you love to eat; and to avoid those you dont. After all, no one wants anguilla when they were hoping for anguria.Just look up any words that puzzle you in the AZ listing. You may find the entire dish listed or only its constituent parts; either way, it should be enough to get a clear idea of what to expect. Weve also included sections for the table basics, drinks and a selection of deserts.Buon appetito!
