The values he insights in his book are applicable for anyone on

a fixed income. This book is a must read!

Are you looking to retire or relocate on a fixed income? In, "How to Retire on a \$1000 Monthly Budget," we explore the state that offers retirees a jackpot of savings in the form of great entertainment and food discounts, no state income taxes, low cost of living, low housing expenses as well as being one of the most pension friendly and military friendly states in America. Over 80 million Americans and over 12 million Canadian Baby Boomers agree that weather, safety, housing, healthcare, affordability, and entertainment will be significant factors in any relocation decision. According to Forbes Magazine, Nevada is the 4th best state for low income earners and the 3rd best state for high income earners. The Nevada choice is a no brainer for retirees in places like New York, New Jersey and Connecticut. If you love to shop, you can shop until you drop. Nevada is one of the top 5 best U.S. Outlet Mall Destinations in the country. Don't hesitate and go on wondering if you could have or should have taken advantage of the opportunity. This book will stir your imagination and give you new channels of information as you decide on one of life's major transitions.

About the Author Mickey Frazier Sr. is an independent researcher and freelance writer. He has worked in the publishing industry for over 30 years and is a realtor in multiple states.
