Andrew Russell, Jenny Sasaki Russell : How to Travel in Europe for a Month for less than \$2,500 before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Travel in Europe for a Month for less than \$2,500:

This is the story of how one couple travelled all over Europe for an entire month for less than \$2,500 per person. For fun, we documented in a journal what we did each day and how much everything cost. The journal entries expanded

more and more over the course of the trip, eventually filling up an entire journal. This was the adventure of a lifetime. You'll find useful tips, tidbits, and what worked for us as we made our way across the continent. We started in California, flew to Germany, transferred to England, jumped over to Greece, traveled up Italy, hopped over to Spain, and finally bounced back to Germany before flying home to California.
