**Mynor Schult : How to Travel The Amazon River: Practical Steps To Tour The Tropical Rainforest Easily Economically** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Travel The Amazon River: Practical Steps To Tour The Tropical Rainforest Easily Economically:

2 of 2 people found the following review helpful. Terrible guide. No useful information. By Bill Lindsey I think this has got to be one of the worst travel guides I have ever read. It offers no real travel information. Unlike other travel guides, there is no information about transportation, accommodations, area tours and operators, main attractions, contact information for travel agencies or suppliers, etc. Also, the book is badly edited, repeating much information multiple times. 0 of 0 people found the following review helpful. A great book By Book Gusano This is more than a guidebook. It is a good book for an arm-side traveler to learn about the . But I have to admit, it makes me want to go. Mr. Schult has a respect for the land and his love for the is contagious.

Traveling in the Amazon is a dream of millions of people from around the world, and this book shows you how to accomplish this historic journey and make the trip safely, easier and more affordable than you could ever imagine. Right now, you can conveniently catch a flight from anywhere in the world and spend a couple of days in the Amazon rainforest. On the other hand, you could make a longer journey, as I did, from the beginning of the river in Peru, through Colombia, to its end at the beautiful beaches of Brazil's Atlantic coast. Throughout this journey, you will learn that the Amazon is full of brilliant and magical moments and together we will discover: The secret, step by step, to enjoying the most beautiful river in the world according to time, budget, and favorite activities How to save hundreds of dollars on airline boat tickets to have a fantastic holiday How to maximize your time on the river or the jungle. Do more with less! Exotic safe tours off the beaten track to beautiful little-visited, but safe remote communities. Places to go surfing, golfing, play tennis, or go fishing How you can help conserve the environment and why you should support indigenous communities. Whether your style of traveling is relaxed or full of activities and adventures, this eco-guide will help you explore the Amazon River the fun and easy way. This eco-book from Mynor Schult will be the only tour guide you will need on your incredible journey. Part of the proceeds of this book are donated to institutions in the Amazon community.

About the Author After attending his first year at the University of Costa Rica, in the early 80s, Mynor was infected with the beautiful traveler's disease, with results so far incurable. His first big trip started in Nicaragua, a country torn by war. He then crossed the border to El Salvador, another country plagued by guerrilla warfare. After surviving the crossing of Central America and the Mexican desert, , Mynor came to the USA, before finally settling in Canada. Since then, he has accumulated thousands of miles, traveling around the Americas and other continents. He has worked and lived in Mexico, Colombia, Paraguay, Costa Rica, and many U.S. cities. Today, his home is in a suitcase, usually in a country or place between Brazil and Costa Rica. Most recently, Mynor spent over two years traveling the world and while in South America, He navigated several rivers in Colombia and Venezuela. It was there that he finally decided to achieve one of his most cherished dreams: to navigate the mighty River from its inception in Peru to its flows into the beautiful Atlantic coast of Brazil. After traveling in more than 66 countries, some of his favorite places are Thailand, Costa Rica, and China; but he lists Colombia and Sweden as countries on the list of places that everyone should visit before they die. In his own country, his favorite sights include visiting the active Arenal Volcano and lying on the Manuel Antonio beaches. Currently he is busy writing his upcoming books "Walking from Costa Rica to the " and : Wisdom and Life Lessons. One of his most memorable travel experiences occurred when a herd of monkeys stole his camera and lunch, while Mynor was enjoying the sea in Costa Rica's Pacific beaches.
