Accommodation, Cheap Flights, Making Money While Traveling, Debunking Travel Myths:

"How To Travel The World On A Shoestring Budget" is a guide written by a couple who quit their jobs in New York City and embarked on an epic around-the-world adventure four years ago. When Vitaliy and Anna began their journey, they had no stream of income, nor any knowledge of how to travel on a tight budget. But that didn't stop them, and over the past few years they traveled to the world's most beautiful and exotic locations and learned how to make money while doing. They reveal all their travel secrets in this book. "This guide is based on our travel experience. We want to share everything we have learned from all the years we spent on the road, i.e. how to get free (and luxury) accommodation, how to save on transportation, how to earn money while traveling, and so much more. We want to inspire people to step out of their comfort zone and travel more."
