**Christina Mayer, Lonely Planet Phrasebooks : Hungarian: Lonely Planet Phrasebook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hungarian: Lonely Planet Phrasebook:

0 of 0 people found the following review helpful. This is a very useful phrasebook, in keeping with the tradition of the ...By Fred DeMarzoThis is a very useful phrasebook, in keeping with the tradition of the Lonely Planet series. I like the format and scope of this phrasebook, including a helpful dictionary feature. Of added value are the many notes on aspects of Hungarian culture and customs.8 of 8 people found the following review helpful. A GemBy big shopperThis pocket book is a must-have for anyone who, like me, has an interest in learning Hungarian or who plans

to visit Hungary. Concise comprehensive, it's a winner. The only drawback is that the 'pronunciation' provided seems to be geared to travelers from the UK, as such, can cause difficulties for No. Americans. This ancient, beautifully soft, richly vocalic language is certainly complicated for an English speaker. Along with a Trkenczy grammar any traveler should be speedily humming along in party town Budapest. These people are warm, friendly, openly admire most anyone willing to tackle their tongue, not to mention the cuisine the wines! 0 of 0 people found the following review helpful. Happy with purchaseBy CustomerHappy with purchase. The book was about what I expected. It arrived in good condition and was received by me only 4 days after I placed my order!!

If you thought a Rubik's cube was difficult, imagine traveling in Hungary without this phrasebook! Take the confusion out of your travels and invent your own Hungarian experience.
