## Travel Guides Adventure Guide to Ecuador the Galapagos Islands (Adventure Guides Series):

A guide to the region of Ecuador and the Galapagos Islands, which provides more geographic, biological and recreational diversity than any other country in Latin America. It contains misty cloud forests, the snow-capped Andes and the Amazon Basin. The natural attractions are unparalleled, and many people come just for them. The series of "Adventure Guides" are about living more intensely, waking up to your surroundings and truly experiencing all that you encounter. Each book offers a mix of practical travel information along with activities designed for everyone, no matter what their age or ability. Comprehensive background information - history, culture, geography and climate - presents a knowledge of each destination and its people. Regional chapters take you on an introductory tour, with stops at museums, historic sites and local attractions. The volumes also cover: places to stay and eat; transportation to, from and around your destination; practical concerns; useful websites; e-mail addresses; and tourism contacts. Detailed regional and town maps feature walking and driving tours.

"[Adventure Guides] offer something for nearly everyone."
