Natalia Ippolito : I Might As Well Be Naked: How to Survive Airport Screening With Your Clothes On before purchasing it in order to gage whether or not it would be worth my time, and all praised I Might As Well Be Naked: How to Survive Airport Screening With Your Clothes On:

2 of 2 people found the following review helpful. Never leave home without itBy Vinny SmithThis book is both funny and practical. My copy is nearly worn out from traveling with me. This is essential reading for all air travelers but especially for those want to avoid being the person that holds up the security line because you aren't aware of the guidelines. Get the book. Learn it, live it, love it. You'll be glad you did.1 of 2 people found the following review helpful. Useful book with witty insights!By J. dineen-scottThis is one of those books that grabs you right away--the cover alone is funny! Inside are great tips and tools for navigating the security maze that has become our airports. The author provides lots of examples about how to make travelling (and your life) easier by following some lesser-known guidelines. Enjoy!1 of 1 people found the following review helpful. Read Before You TravelBy TheTravelGuyThis is a book you will want to read BEFORE you travel. If you wait until you are on the plane to read it, it will be too late. The book goes over all the things you need to know when going through security at an airport and makes it interesting with real life humorous stories. It will make your airport security adventure go quickly and smoothly.

Might As Well Be Naked gives useful tips and on the job stories from a former TSA Airport Screener. Chapters are

organized into helpful and revealing tips and tricks to get through security fast and safely. No matter the special circumstance, readers will learn how to clear Airport screening without setting off alarms.

About the Author Natalia Ippolito was a part of an elite team with the Transportation Security Administration (TSA) as an Airport Dual Function Security Screener. She effectively devoted thousands of hours in front of x-ray monitors and screening passengers and luggage. She is also a film script and award winning documentary writer.
