Bernd Kreissig : Ice 2017: Marvels of Antarctica (Calvendo Places) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ice 2017: Marvels of Antarctica (Calvendo Places):

Unique views of the most remote continent of this earth, a secluded world of wonders that to a large degree no man has ever set foot on. Yet the bitterly cold and hostile environment around the south pole comprises artwork of breathtaking beauty. This calendar features 13 of these masterpieces, shaped by mother nature using but water, ice and air. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
