National Geographic Maps - Trails Illustrated : Idaho Springs, Loveland Pass (National Geographic Trails Illustrated Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Idaho Springs, Loveland Pass (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Five Stars By Beegh Excellent map of a gorgeous, inexhaustible area. More hiking to be had there than most people may realize. 0 of 0 people found the following review helpful. Another great map! By COFlyfisher Another great treasure map to locate those backcountry streams and lakes! I love these maps! 0 of 1 people found the following review helpful. very useful By trixie This map was very easy to read, useful and current. High quality of "paper" allowed for field use without fear of it falling apart.

Waterproof Tear-Resistant Topographic Map Expertly researched and created in partnership with local land management agencies, National Geographic's Trails Illustrated map of Idaho Springs, Loveland Pass provides an unparalleled tool for exploring this scenic region. Whatever the season, you'll find this map handy for pursuing a host of recreational activities from skiing and snowmobiling to hiking and camping. This map features many key points of interest including Arapaho, White River, and Pike national forests; Echo Lake; Mount Evans Wilderness; Guanella Pass Scenic Byway; and the Keystone, Loveland, and Arapahoe Basin ski areas. With miles of trails including Grays Peak National Recreation Trail and portions of the Colorado and Continental Divide trails, this map can guide you off the beaten path and back again. Hiking, equestrian, bike, snowmobile, and ski trails are clearly marked, as well as a variety of recreational features including fishing areas, trailheads, campgrounds, and picnic areas. The map base includes contour lines and elevations for summits, passes and many lakes. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Arapaho National Forest, Chief Mountain, Front Range, Ganley Mountain, Grays Peak, Loveland Pass, Mount Bierstadt, Mount Evans, Mount Evans Wilderness, Pike National Forest, Torreys Peak, White River National Forest. Map Scale = 1:40,680 Sheet Size = 22" x 37.75" Folded Size = 4" x 7.5"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
