Five Stars By Shopper This atlas is very colorful and full of information. I am enjoying learning from it. 2 of 2 people found the following review helpful. Illustrated atlas of the world. By karate lady The atlas is great. my son has been reading it constantly since xmas. He enjoys reading about all the places he went while deployed in the far east during his navy time. Book is beautiful and in excellant condition. It arrived in good time. The pictures of the book showed me just what I needed to know of what it contained, and it was perfect for my son.

Newly revised, and completely up-to-date, this fifth edition of the Illustrated Atlas of the World remains an invaluable reference source. Bartholomew, world-class cartographers, designed this value-priced atlas especially for Readers Digest with 80 scrupulously revised reference maps, organized by continent featuring an all-new insert of satellite images from around the world. Using state-of-the-art cartographic technology, the easy-to-use reference maps provide coverage of the entire world and illuminate every vital detail. A comprehensive index of over 30,000 place names makes every location instantly accessible.
