**Nicholas Harris : Illustrated Picture Atlas of the World (World Atlas)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrated Picture Atlas of the World (World Atlas):

1 of 1 people found the following review helpful. Great bookBy C. DearstonMy 8 year old loved this book so much and read it so much that he pretty much destroyed it...and asked for a new one. So I just bought his second copy of it. It has given him hours of entertainment, and he has learned a ton from it.

This illustrated atlas takes you on a journey through the diverse landscapes that form our world. You will learn about each country the people that define it through detailed illustrations intriguing facts.
