From Geus : Ilulissat Icefjord before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ilulissat Icefjord:

At the 28th session of the World Heritage Committee in the summer of 2004, Ilulissat Icefjord was included on UNESCO's World Heritage List. The icefjord is one of the first natural phenomena in the Arctic to find its place on the prestigious list, which includes numerous world famous localities.
