**Jane Petrlik Smolik : In And Out of Portland With Children: Over 300 Ideas from Kittery to Camden** before purchasing it in order to gage whether or not it would be worth my time, and all praised In And Out of Portland With Children: Over 300 Ideas from Kittery to Camden:

4 of 4 people found the following review helpful. Fun things to do around Maine!!!By ThegarrisonLove this book! Full of great ideas of things to do with kids but also a great reference of things adults would like to see too. We scouted out many of the Portland sites....the Observatory, Portland Headlight, and other seaside parks. We also drove up the coast to see the Maine Aquarium. The book was right on with this one.... the aquarium is tiny but it was lots of fun for my 11 years old. We enjoyed seeing 5 different colored lobsters (alive)...the blue was cute, but the calico was my favorite. My daughter thought it was great to pat a real shark!I bought this just to leave in my "camp" at the lake. Sometimes you just need to know what to do on a rainy day... The book is organized and covers at least a two hour radius around Portland. Highly recommend!

Revised and updated, this local classic has become the definitive resource for exploring the southern half of Maine with children of all ages. It offers over 300 well-researched ideas for outings from Kittery to Camden as well as longer excursions. Adventures for all four seasons are included and locals as well as tourists will be delighted by this indispensable guide written by a Maine mother on a mission. The author has included a table of contents as well as an index by attraction and an index by location, so if you find yourself in say, Boothbay Harbor or Ogunquit, you can flip to the back and find out what to do in that town. Very clever. There's good reason this little gem is still going strong into its third edition.

"For mom and dad, In and Out of Portland with Children, is a gift guaranteed to keep them coming back." --Down East Magazine, December 2005"...a light, easily portable directory of cool things to do with members of Generation Z...sure to provide inspiration." --Boston Globe MagazineAbout the AuthorJane Petrlik Smolik grew up in Cape Elizabeth and now spends summers with her husband and children in Scarborough. She is also the author of The Great State of Maine Activity Book, The Great Massachusetts Puzzle Book, and The Great Connecticut Puzzle Book.
