Living Language : In-Flight Czech: Learn Before You Land before purchasing it in order to gauge whether or not it would be worth my time, and all praised In-Flight Czech: Learn Before You Land:

3 of 3 people found the following review helpful. Fly by CzechBy Brian Katchmar This product is just a quick run down of basic phrases and not a true Czech teacher, this won't teach you basic sentence structure, masculine and feminine differences, or even point out different variances of the words. For example; they will list "dobr den" as "good day" but "dobrou noc" as "good night" but not explain why there is a difference with "dobr" and "dobrou." I say buy this as a quick bloody or introduction to the Czech language, but don't visit Prague with just this if you want to have passable Czech. 0 of 0 people found the following review helpful. Very good. Material was well chosen By H. B.

StonakerVery good. Material was well chosen. The course helped me a great deal with my visit.and my business while I was there.32 of 32 people found the following review helpful. Not for first-time Czech learnerBy A CustomerThe lessons go by very fast, with each phrase spoken only once. In order to learn, you must either have a super-human ear and memory, or you must listen to the CD 500 times. The CD might be a good review for someone who has already learned the language, but for the first-timer, consider the Pimsleur method instead.

Living Language In-Flight Czech is the perfect boarding pass to learning Czech before you land.There's no better way to make use of all that spare time on a plane than to master the essentials of a language. This 60-minute program is the simplest way to learn just enough to get by in every situation essential to both the tourist and business traveler.The program covers everything from greetings and polite expressions to asking directions, getting around, checking into a hotel, and going to a restaurant. There are even sections for meeting people and spending a night on the town.Short lessons make In-Flight Czech easy to use, and a handy pocket-sized insert is included as a cheat sheet for use on the go.
