Living Language : In-Flight Thai: Learn Before You Land before purchasing it in order to gauge whether or not it would be worth my time, and all praised In-Flight Thai: Learn Before You Land:

0 of 0 people found the following review helpful. Quick easy way to learn a few words in Thai By Larry E. Quick easy way to learn a few words in Thai. Download program on laptop used it on the plane. 0 of 0 people found the following review helpful. Thai is impossible to learn By Travis Rohel I tried this out but it is very difficult to learn Thai. Good product in good condition. fast shipping. no problems. I wouldn't recommend it for learning Thai. Adding wording here because I am required to have a certain amount of words in my review. I have little to say because everything

went as expected with this transaction. 1 of 1 people found the following review helpful. OKBy Susan Serenity SmithI am not very good at any language's so how can I tell you if this is good or not but what I do know is that is that I like it better than "Speak Like a Thai"

Living Language In-Flight Thai is the perfect boarding pass to learning Thai before you land. There's no better way to make use of all that spare time on a plane than to master the essentials of a language. This 60-minute program is the simplest way to learn just enough to get by in every situation essential to both the tourist and business traveler. The program covers everything from greetings and polite expressions to asking directions, getting around, checking into a hotel, and going to a restaurant. There are even sections for meeting people and spending a night on the town. Short lessons make In-Flight Thai easy to use, and a handy pocket-sized insert is included as a cheat sheet for use on the go.

From the Inside FlapLiving Language In-Flight Thai is the perfect boarding pass to learning Thai before you land. There's no better way to make use of all that spare time on a plane than to master the essentials of a language. This 60-minute program is the simplest way to learn just enough to get by in every situation essential to both the tourist and business traveler. The program covers everything from greetings and polite expressions to asking directions, getting around, checking into a hotel, and going to a restaurant. There are even sections for meeting people and spending a night on the town. Short lessons make In-Flight Thai easy to use, and a handy pocket-sized insert is included as a cheat sheet for use on the go. About the AuthorLiving Language has been a proven and effective language learning instruction for over 65 years. Using techniques originally developed for the US State Department, the Living Language Method follows a four point approach from building a foundation of essential words and phrases, advancing to full sentences and conversations, practicing with recall exercises aimed at both short and long term memory and developing practical language skills to equip the learner in any situation. Living Language is an imprint of Random House LLC, a Penguin Random House Company.
