**Vicente Bobadilla : In Search of My Truth** before purchasing it in order to gauge whether or not it would be worth my time, and all praised In Search of My Truth:

This book is about a personal paranormal experience that I had lived while completing an Ayahuasca ritual on September 18th, 2015 in Peru, where I had had an encounter with an entity from another dimension who claimed to be

God and who called himself Izoek. The writing revolves around the revelation of life and message to the world from this entity who has impacted my life exponentially to initiate a search of this truth that we all think to know. In addition, I open up about personal matters from my past that happened to be connected with this entity and his revelation.
