Alexander Stewart : Inca Trail, Cusco Machu Picchu, 4th: includes Santa Teresa Trek, Choquequirao Trek, Vilcabamba Trail Lima City Guide (Inca Trail, Cusco Machu Picchu: Includes Santa Teresa Trek,) before purchasing it in order to gage whether or not it would be worth my time, and all praised Inca Trail, Cusco Machu

Picchu, 4th: includes Santa Teresa Trek, Choquequirao Trek, Vilcabamba Trail Lima City Guide (Inca Trail, Cusco Machu Picchu: Includes Santa Teresa Trek,):

5 of 6 people found the following review helpful. I'd give this book more stars if I couldBy NemesidaGreat travel companion book! We plan to take it with us when we go to Peru. We'll be hiking/backpacking there at Cusco area, so every ounce counts. Great advice on what you need to know when you know nothing (like me) on your first trip to Peru. This book literally covers it all, ALL your travel needs. THE BEST, highly recommend!4 of 5 people found the following review helpful. fantastic guideBy XGreat guide overall. Some logistics stuff out of date, but that's to be expected. Superb for explaining trek options and describing flora / fauna / historic sites along the way. Also good for many other sites in the Sacred Valley. Wish I had time to take some of the longer routes, but we had a fantastic time on our trip with this guide.1 of 4 people found the following review helpful. Little HelpBy ShirathaRead a number of books before the trip to Peru. The information is not accurate or specific enough for what we needed to know about food, water, climate, etc. Needed better maps as well with directions.

Fully rewalked, revised and rewritten 4th edition Machu Picchu Lost City of the Incas and one of the worlds greatest sightsCusco where to stay, where to eat, and what to see in the ancient Inca capitalThe Inca Trail, the Vilcabamba Trail, the Choquequirao Trail, the Santa Teresa Trail and hikes around Cusco and the Urubamba Valley ten hikes from two days to two weeks with 34 detailed route maps showing walking times, camping places and all points of interest. Best known is the Inca Trail to Machu Picchu, which follows part of the old Inca highway over passes of 4200m (13,750ft). Also included is the Vilcabamba Trail, a fascinating four-day hike to the ruins at Espritu Pampa, last Inca capital; the trek to Choquequirao and the trail to Santa Teresa.Lima street plans, what to see, where to stay and getting to CuscoPractical information planning your trip and getting to Peru from North America, Europe and AustralasiaHistory of the Incas plus ground plans of 14 Inca ruinsGreen hiking how to minimize your impact on a fragile regionFlora and fauna full-color sectionLanguage Spanish and Quechua50 maps and street plans

So well written it is difficult to put this book down...If you are spending only one day in Cusco and one day in Machu Picchu the books details will enrich your trip. If you are hiking the Inca Trail ...this book is essential.International Travel News (USA)An excellent guide...offers a wealth of wise advice.Toronto Star (Canada)...really excellent. You cover everything from Inca history to flora and fauna...John Hemming You need a guide. To be precise you need this one.The Sunday Times (UK)Comprehensive guideThe Daily Telegraph (UK)
