There's a concise overview of top attractions, with beautiful pictures, which is a great place to start, but its usefulness stops there. There are no maps, no suggested itineraries, no budgets, no walks. It's even less useful than EyeWitness, and with fewer pictures. I wanted something other than Lonely Planet because I'm no longer a very-low-budget backpacker, but this is not the middle ground I expected.2 of 2 people found the following review helpful. OK, but not comprehensiveBy beakerThis really didn't contain enough information for my trip. I ended up buying an Insight Guide while in Jakarta, which contained a great deal more information and was much more helpful.2 of 2 people found the following review helpful. Just the highlights of Indonesia, not a travel guide.By GregNot what I expected. The information it does have is well organized and it gives some good info but I need a real travel guide before I visit Indonesia.

The only guide you'll need for getting around Indonesia! Everything you need is in this one convenient Indonesia travel guideincluding a large pull-out map!Are you looking for the adventure of a lifetime, a trip down the road less traveled? "[T]hese books cover the touristy sites that you don't want to miss, but they also detail some of the more hidden spots. These travel books are easy to carry around and aren't loaded with a lot of information that I don't need. I also like that both guidebooks come with very detailed folded maps in the back. This makes getting around so much easier." This Way to Paradise blogAbout the Author"The adventure of a lifetime" most aptly describes author Linda Hoffman's 25-year journey in Indonesia. After 10 years in Jakarta, the country's heartbeat, and a brief stint in Bali, for the past 12 years she has been based in Yogyakarta, a university and historically significant town teeming with smart kids from across the archipelago and tourists. Over the years she has traveled throughout the country on public ferries, by horse-drawn carts, in cargo trucks and on foot to delve into the mysteries of the land and its peoples.
