Interesting photography. The authors, a photographer/writer and a cultural anthropologist, weave a tapestry of paradise lost by the works of humans with those remaining hanging on to a beautifully authentic lifestyle that is slipping away. I will visit this place.WJ1 of 1 people found the following review helpful. Exceptional!!!!By Judith L. SibleyThe book was exceptional!!! Top quality paper used, as well as awesome pictures stories. My husband loved his present the attention given to status updates kindness by Greg (even from his hospital bed) was so appreciated! Thanks Greg !!!3 of 3 people found the following review helpful. WonderfulBy K. M. CampThis book is absolutely beautiful in that it captures the rich and important history of this amazing area. Text is easy to absorb and even locals of the area will most likely be enriched by the wonderful documentation and photography available in this book
