Collins UK : Inland Waterways Map of Great Britain (Collins/Nicholson Waterways Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Inland Waterways Map of Great Britain (Collins/Nicholson Waterways Guides):

0 of 0 people found the following review helpful. Good information in general of UK canal waterways - for ...By no name
Good information in general of UK canal waterways - for travel needs to be used in conjunction with the local/region guide books
I would say to don't really need this unless you are planning a route of the whole system
The local guide book is better and can be used independently
0 of 0 people found the following review helpful. Good for planning

By Kindle Customer
I was very pleased, the map arrived promptly and was in excellent, new condition!

The map companion to the Collins/Nicholson Waterways Guides, covering the entire network of canal and river navigations in England, Scotland, and Wales, including newly restored/opened canals and rivers.
