**Douglas Mayhew : Inside the Favelas: Rio de Janeiro** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside the Favelas: Rio de Janeiro:

0 of 0 people found the following review helpful. Disappointing.By J. SheldonThough I have yet to fully read the text (which may save this), to my eye the photographs are neither well reproduced print-quality wise, nor interesting. I'm as interested as anyone in the various ways people survive in the favelas, but I didn't need 30 photographs of crazily-wired electrical systems to get the point.0 of 0 people found the following review helpful. Good bookBy LipiskapaThe photos are good, and there is clear, well-written, accompanying text. The print is large and well constructed (good paper, sturdy binding, etc). I only wish it had a bit more variety in the photos -- specifically I wish it had more photos of people, of life, in the favelas, and not just streets and walls and "gatos".0 of 0 people found the following review helpful. ExcellentBy PTRioNot just a coffee table photo book, this volume does a very credible job of explaining the

favela environment in Rio and how these neighborhoods have developed over the recent past.

A unique insight into life in Brazil's infamous favelas. A honest portrayal of the 'other side' of Brazil's society. Portrays a world that came to prominence with the hit film City of God. Combining thought-provoking text and hard-hitting, stunning photography, Inside the Favelas provides a compelling commentary on the life in Brazil's shanty towns. Includes a foreword by The Honorable Sérgio Cabral Filho, Governor of the State of Rio de Janeiro, Brazil. Behind Rio de Janeiro's beautiful beaches and the beautiful people who adorn them reside the Brazilian people who live on the other side of the socio-economic mountain. This extraordinary and breakthrough document, Inside the Favelas, explores for the first time in print, through words and photographs to which only this author has had access, the reasons why and how the divide between the jet-set and the misbegotten is so great. From the first favela (shanty-town), whose origins lie in the late nineteenth century, right through the tumultuous years of Brazil's military dictatorship to the present government - who are offering the population the first real chance at change that they have ever had. So if you're strong enough to open this book, climb the stairs, and leave the iconic imagery 'The Girl from Ipanema' behind, here is a landmark opportunity to see for yourself what life is like when you're inside the favelas of Rio de Janeiro. Contents: Foreword by Governor Sérgio Cabral Filho; Foreword by Joo Maurício de Araujo Pinho; Author's Preface; Are You Strong Enough, Rio?; Introduction: Under Pressure; Chapter 1: I Got You, Babe!; Chapter 2: Stepping Out; Chapter 3: Organizing the Troops; Chapter 4: Eviction Notices; Chapter 5: New Neighbors; Chapter 6: I Am Born; Chapter 7: Moving Day; Chapter 8: Growing Up; Chapter 9: One Thought Remains; Chapter 10: Why Stairs?; Conclusion: Finish the Job; Hooking Up in Rio: A Cat's Tale, A High-Voltage Drama; Introduction: The Gordian Knot; Chapter 1: On the Prowl; Chapter 2: Watch Out! There's a New Cat in Town; Chapter 3: Blackouts and Anarchy; Chapter 4: Reconstruction; Chapter 5: Notes from Mt. Olympus; Chapter 6: Wearing the Shirt; Chapter 7: Spraying Hope; Chapter 8: Power to the People; Chapter 9: A Step toward the Great Society or The Scalded Cat Returns?; Chapter 10: Redrawing the Line; Conclusion: "I Am He as You Are He as You Are Me and We Are All Together"; Postscript; STAIRS; CATS; Endnotes; Further Reading.
