**Janice McDonald, Kimberly Allyson Duncan : Insiders' Guide to Myrtle Beach and the Grand Strand, 9th (Insiders' Guide Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Myrtle Beach and the Grand Strand, 9th (Insiders' Guide Series):

0 of 0 people found the following review helpful. Five Stars By Dewayne Jackson Great 1 of 1 people found the following review helpful. A very helpful book overall. By Customer I bought this a few months before our trip to

Myrtle Beach. It gave a lot of very helpful information, especially for someone who has never visited the East coast. Although I realize this was a guide, it would have been nice to have the photos in color. Also, be careful about the hours given in the book for area attractions. A few of them were off by at least an hour. Plus remember, there are millions of tourist guides once you reach the area, starting at the airport. They provide much of the same information as this book. However, if you like to get to know an area before you visit it, this is the book for you. 4 of 4 people found the following review helpful. weak book  
By Gene Stark  
This book is one of the worst travel guide books I have ever purchased. It contains, long, wordy text with very little useful information. Don't buy this book.

Known as one of the best vacation spots in the country, Myrtle Beach is a thriving hotspot that features more than just sand and sun: fresh seafood, alligator parks, jeep tours, a NASCAR SpeedPark, colorful nightlife, and an expanding music scene are just some of things travelers will find on South Carolina's coast.

From the Back Cover  
For more than twenty years the Insiders Guide series has remained the essential source for in-depth travel and relocation information. Each guidebook is written by locals and true insiders and offers a personal, practical perspective that readers everywhere have come to know and love. More than just gorgeous beaches, Myrtle Beach is rich with activities to fill mornings, rainy days, or spare time not spent in the water. From strolling on the beach and picnicking with family to visiting history-rich plantations and exclusive dining, this authoritative guide shows you how to navigate the Grand Strand.
