Flexi Map Vietnam, Cambodia and Laos is laminated, durable and includes 7 separate maps; each map has its own index which has been categorised for ease of use. Inside Flexi Map Vietnam, Cambodia and Laos: A list of 18 recommended sights, divided by theme and linked to the mapping by numbered markers. A handy information section with concise details on getting around, tourist offices, money, tipping, opening times, public holidays, telecommunications, emergency telephone numbers and climate. The two main maps are of Cambodia and southern Vietnam, and Laos and northern Vietnam, both at a scale of 1:1.800 000. Cities, towns, roads, Unesco World Heritage Sites and other points of interest are clearly shown. Many prominent sites, national parks and transport hubs are highlighted and listed in the extensive index. Further maps cover the countries' capitals, as well as the major city of Ho Chi Minh City, all at a scale of 1:17.500. There is also an overview map of the southeast Asia region (scale: 1:18.000.000).
