From Ingramcontent : **Insight Globe: Blue Planet (Insight Globes)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insight Globe: Blue Planet (Insight Globes):

6 of 6 people found the following review helpful. Buyer be aware!!!!By Customerbuyer be aware!! This globe is tiny. Nothing like we expected, Very Disappointed!!!!!!3 of 3 people found the following review helpful. BUYER BEWARE!By Tony DoshierThe description needs to be changed. It very clearly says inches but is actually in cm. very disappointed I should have read the reviews.4 of 4 people found the following review helpful. Four StarsBy Customermuch smaller than i anticipated. should have read description closer

This new Blue Planet Globe is a non-illuminated globe with political mapping on a blue background. The colourful mapping has been precision printed at a scale of 1:90 million. It is perfect for home or school use with a diameter of 14.2cm, and a height of 8-1/2 inch. It comes on a stylish black base and rotates on one axis.The globe comes in an eye-

catching gift box.
