Natalie Minnis : Insight Guide South America before purchasing it in order to gage whether or not it would be worth my time, and all praised Insight Guide South America:

0 of 0 people found the following review helpful. Good for the general, bad for the specificBy Global CitizenIf you're looking for general information (with pictures!) about the countries, this is a great place to start. Beyond that, this probably won't be of too much help. The book does a good job of talking about potential tourist spots, but don't count on it to help you with finding good hotels, places to eat, etc. I would recommend flipping through this in a bookstore to find what country you're really interested in, and then switching back to Lonely Planet for the specifics.0 of 0

people found the following review helpful. Insight Guide South America By K. Dies Doing research for a trip involves both the facts and the visual stimulation of anticipated sights to see. The Insight Guide to South America provides that visual stimulation and beautifully descriptive words of the highlights of South America. When coupled with the Footprint Travel Guide for South America, it is a winning combination of practical information and adrenalin generating visual imagery. 14 of 18 people found the following review helpful. Great overview By Kevin Buckstiegel For someone trying to get a general overview of a part of the world they did not pay to much attention to and are now fascinated with, this book is perfect. Lots of beautiful imagery and helpful hints on what to watch out for and do when traveling.

Insight Guides, the world's largest visual travel guide series, in association with Discovery Channel, the world's premier source of nonfiction entertainment, provides more insight than ever. From the most popular resort cities to the most exotic villages, Insight Guides capture the unique character of each culture with an insider's perspective. Inside every Insight Guide you'll find: .Evocative, full-colour photography on every page .Cross-referenced, full-colour maps throughout .A brief introduction including a historical timeline .Lively essays by local writers on the culture, history, and people .Expert evaluations on the sights really worth seeing .Special features spotlighting particular topics of interest .A comprehensive Travel Tips section with listings of the best restaurants, hotels, and attractions, as well as practical information on getting around and advice for travel with children
