Insight Guides : Insight Guide to Ecuador (Insight Guides Ecuador) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insight Guide to Ecuador (Insight Guides Ecuador):

0 of 0 people found the following review helpful. Five Stars By PAMELA BAILEY SMITH fine for our trip, 3 years ago
0 of 0 people found the following review helpful. No surprise! By L. Schroeder The Insight Guides have been unfailingly helpful. Not only complete and well researched, this is a delight for the eyes and the mind.
15 of 15 people found the following review helpful. Great Introduction to Ecuador By A Customer Having spent almost 10 months travelling in Ecuador, I can say that this guide is extremely useful. While it doesn't have great recommendations about

hotels, restaurants, transportation, etc., it definitely provides much needed background information and has incredible pictures. The maps are usually very good, but occasionally there are some mistakes. The culture sections--on food and customs-- are interesting and pertinent. Included are section about the Galapagos Islands and ia. Although this guide is very informative, it is best used in conjunction with another guide that gives more specifics about dining, accomidations, shopping, etc. You should definitely read it BEFORE travelling; you will arrive in Ecuador informed and ready for an adventure.

Insight Guides, the world's largest visual travel guide series, in association with Discovery Channel, the world's premier source of nonfiction entertainment, provides more insight than ever. From the most popular resort cities to the most exotic villages, Insight Guides capture the unique character of each culture with an insider's perspective. Inside every Insight Guide you'll find: .Evocative, full-colour photography on every page .Cross-referenced, full-colour maps throughout .A brief introduction including a historical timeline .Lively, essays by local writers on the culture, history, and people .Expert evaluations on the sights really worth seeing .Special features spotlighting particular topics of interest .A comprehensive Travel Tips section with listings of the best restaurants, hotels, and attractions, as well as practical information on getting around and advice for travel with children
