Insight Guides : Insight Guides Phrasebooks: Portuguese (Insight Phrasebooks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insight Guides Phrasebooks: Portuguese (Insight Phrasebooks):

0 of 0 people found the following review helpful. A ve"rr"y problematic phrasebook. By T James Turk There are problems with the pronunciation section and errors are perpetuated throughout the guidebook in the phonetic spelling of individual words. The most egregious error seems to be with "rr" which the guide says should be strongly trilled, like "rr" in Spanish. Although there are regional differences, "rr" is pronounced like the "h" in hot. For example, carro

is "kahu," not "kah rroo." A single "r" at the beginning of a word is also pronounced like the "h" in hot. Rio is pronounced "Hiu," not the American "Riu." Interestingly, the Lonely Planet phrasebook has some of the same mistakes in the pronunciation section, but the phonetic spelling of individual words seems to be more accurate. Whitlam's 'Modern Brazilian Portuguese Grammar: A Practical Guide' has a lot of useful tips on word usage, but is far too big to fit in anybody's pocket. I'd be interested in hearing if anyone has found and could recommend a concise and accurate Portuguese phrasebook that I could get before I hit the road. I don't plan to make room for the new Insight Guide Phrasebook. 1 of 1 people found the following review helpful. Helpful book By Eric C. This phrasebook was helpful during our two week trip in Portugal. We didn't use it every day, but would use it when we were stumped and left without any wifi connection. The size of the book was perfect to fit into a purse or small bag as well.

Insight Guides: Inspiring your next adventure Introducing the brand new Insight Phrasebooks for 2015 with a free audio app download! Compact and lightweight, these pocket-sized phrasebooks are packed with all the words and phrases users need to feel at home, when away.
