Jeff Madura : International Financial Management, Abridged Edition (with World Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Financial Management, Abridged Edition (with World Map):

This text combines a strong foundation in international finance theory with current, practical applications. It provides thorough, up-to-date treatment of cutting-edge international finance issues along with traditional treatment of international financial management. This book is known for its readability and clear explanation as well as its extensive use of hands-on, real-world applications and student-oriented pedagogy. This text has the same chapters as

the full edition. We placed certain chapters online at <http://madura.swlearning.com>. Many courses do not cover all materials in the text. We placed the chapters on the website to lower the cost and represent the course materials for the majority of Professors teaching this course.
