Jeff Madura : International Financial Management, Abridged Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised International Financial Management, Abridged Edition:

Should be shared on at least two devices (tablet and desktop)By Kyle AndersI dislike books that Cengage publishes. They have excessive IP rights protection so searching these books is dreadful and in the case of this book it can only be used on one device. When I study at home I want to use my large monitor like I do with other textbooks and with this one... I get the x-ray message. I have given feedback to my school to relay this feedback to Cengage - that we should boycott using their books as textbooks if they are not able to be shared on more than one device. The three stars is for content - the author is good and his explanations are great so the minus two is for Cengage.0 of 0 people found the following review helpful. five starsBy Gerard MullinsI was amaze about the accuracy of the book. I am very happy with my purchase because it was exactly as it was described originally before I bought it. I will definately buy again with confidence.

INTERNATIONAL FINANCIAL MANAGEMENT, Abridged Tenth Edition, builds on fundamental principles of corporate finance to provide the information and insights you need to succeed in today's dynamic global business environment. This thorough text includes a detailed introduction to the world of international finance, in which multinational corporations continue to expand and play an increasingly important role in global commerce. The text then focuses on a wide range of managerial topics from a corporate perspective, combining in-depth coverage of essential financial theory with a strong emphasis on hands-on, real-world applications. Known for its reader-friendly style and clear explanations, INTERNATIONAL FINANCIAL MANAGEMENT, Abridged Tenth Edition, gives you the tools to understand and manage within the exciting field of international finance. This Abridged Edition provides flexibility and an economical text choice by offering all chapters from the Full Edition but makes several of the chapters that are less frequently used available online at www.cengage.com/finance/madura. Readers develop the international finance management skills needed to succeed in today's ever-changing market with the balance of solid theory and practical applications found in Madura's INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 10th.
