**Helle Sorensen : International Travel and Tourism** before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Travel and Tourism:

International Travel and Tourism presents a new perspective on international travel by covering all the aspects of international travel, as well as cultural awareness. Some of the various features covered in this book are: obtaining a passport and visa, familiarization of global time, traveling through the new Europe and Russia, and ecotourism. Learning is reinforced with open-ended questions to encourage critical thinking.

Preface. Chapter 1: Introduction to International Travel and Tourism. Chapter 2: Air Travel Geography. Chapter 3: International Travel. Chapter 4: International Air Fares. Chapter 5: International Ticketing. Chapter 6: The New Europe. Chapter 7: The New Russia, Asia, and the South Pacific. Chapter 8: Less Developed Nations. Chapter 9:
