**DeLorme : Iowa Atlas Gazetteer** before purchasing it in order to gage whether or not it would be worth my time, and all praised Iowa Atlas Gazetteer:

Traveler's choiceBy JoeThe price was very competitive, delivery was fast and effective, I didn't have to haunt half-a-dozen shops looking for just the right atlas. This most current copy of DeLorme's Iowa Atlas Gazetteer is a replacement for my well thumbed earlier edition, comlementing my collection of twenty (plus) DeLormes of other states. I use them in traveling, genealogy research, and just plain dreaming of

other trips I could take. I wouldn't leave the neighborhood with out an assortment covering the states I might visit. 3 of 3 people found the following review helpful. Iowa Atlas Gazetteer By Dave Oppgaard I like the Iowa Atlas Gazetteer, I use this Atlas Gazetteer when driving the back roads in northwest Iowa when scouting for photographic opportunities. It comes in very handy for this purpose. I often post my photographs on line and also use them to inspire my watercolor paintings. 1 of 1 people found the following review helpful. - 1/2 star.... By Steven D. Miller I have been a fan of the gazetteers for years. These beat any other state maps (hands down) for comprehensive detail... indispensable for planning back road bike trips or finding a remote put in for your canoe. One glaring omission in the Iowa volume is the lack of State Park designations...thus, 1/2 star less than a perfect score.

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.
