**International Travel Maps : Iran Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Iran Map:

Scale 1:2,500,000. With inset map of central Tehran (1:50,000). Map of the country and portions of its neighbors with topographical contours and elevations indicated by color changes. Legend locates international provincial boundaries; settlements from large cities to villages; roads (with point-to-point distances in kilometers) from multi-lane highways to tracks; railways; airports; points of interest; peaks with elevations in meters; hydrography. Index of place names; descriptions of select highlights.

4th Ed. 2008 1:1,800,000 In spite of being a controversial political entity, Iran is a fabulous touristic attraction. The fabled Blue Mosque of Mashhad graces our cover, unchanged in a changing world and a symbol of the reality that is today s Iran. This version has been further updated by showing the new stretches of the motorway system and improving the readability of the map by softening our colours; printed double-sided on paper. --itmbAbout the AuthorITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.
