Helen Loveday, Bruce Wannell, Christoph Baumer, Bijan Omrani : Iran: Persia: Ancient and Modern (Fourth Edition) (Odyssey Illustrated Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Iran: Persia: Ancient and Modern (Fourth Edition) (Odyssey Illustrated Guides):

A stunning guide, packed with history, that no visitor to Iran should be without.Christina Lamb, foreign affairs

correspondent, Sunday Times [London] Iran, or Persia as it was formerly known, has been a melting pot of civilizations for centuries. The Islamic revolution in 1979 and the subsequent IranIraq war reduced tourism to a trickle, but in the last decade the countrys global significance within the modern world has resulted in increasing interest from travelers and business people. This is an essential book both for visitors to Iran and for those simply with a thirst to learn about and understand this diverse and beautiful land. Travel facts and tips combine with chapters on each of the countrys provinces and sections on Islamic art, architecture, and religion. 145 color photos and 15 maps
