**Tottie Limejuice : Is That Billinge Lump: Sell the Pig series Book 2 (Volume 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Is That Billinge Lump: Sell the Pig series Book 2 (Volume 2):

0 of 0 people found the following review helpful. What a journey!By Rebecca HIs That Billinge Lump is a wonderful continuation to Sell the Pig Beautifully written there are moments of sublime humour interwoven with moments of sadness. Tottie continues to struggle with her mothers progressive dementia and organising carers whilst at the same time coping with her eccentric, alcoholic brother. She cleverly takes us on the journey with her and we meet and get to

know the variety of characters she encounters like the rather strange goat woman. Realising she cannot remain in the Pink House she manages to buy her own property. Despite many setbacks she somehow manages to remain optimistic! Tottie is a remarkable lady with such tremendous resilience. I can't wait to read the next instalment of this trilogy.

It seemed like a good idea at the time. When British healthcare failed her ageing mother, eccentric writer Tottie decided to uproot her dysfunctional family and try again in France. But was France ready for her depressed dipsomaniac brother, her nearly nonagenarian mother who enjoyed saying bum and bugger and her elderly collie with a weak heart and his own blog? 'Is That Billinge Lump?' continues the saga which began with 'Sell the Pig'. With Tottie's candid style to tell a 'life in France tale' with a difference, you'll find chuckles and tears in equal measure. Did France live up to its reputation for excellence in healthcare? Did Tottie survive sharing living space with her unpredictable brother? There's only one way to find out ...

About the Author Tottie Limejuice is the pen-name of Lesley Tither, a freelance copywriter and copy editor who lives in the Auvergne region of Central France. Passionate about wildlife and the countryside, she enjoys walks and camping with her dogs, and organic gardening. Now firmly settled into rural French living, she has applied for dual British/French citizenship.
