**Jingle Davis : Island Passages: An Illustrated History of Jekyll Island, Georgia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Island Passages: An Illustrated History of Jekyll Island, Georgia:

2 of 2 people found the following review helpful. Highly Recommend this book for Jekyll Island FansBy CustomerThis book exceeded my expectations. Beautifully done. Excellent pictures and stories. Provided a ton of background. I can't say enough how brilliant this book is. I purchased it as a gift for a coworker who just built a condo there. He and his family LOVE the book.1 of 1 people found the following review helpful. A nice coffee table book gift for a lover of the Georgia Coast!By J. RichA nice coffee table book. Good quality and a good balance of photos and text.2 of 2 people found the following review helpful. Five StarsBy Glenn J. WilliamsA beautifully photographed, well researched book.

Written in a lively, accessible style by Jingle Davis and lavishly illustrated with photographs by Benjamin Galland, Island Passages is a solid work of public history that presents a carefully researched document of Jekyll Island, from its geologic beginning as a shifting sand spit to its present-day ownership by the state of Georgia.

This is a winner of a book that every visitor to the Georgia coast, and every resident, will want to own. It is well researched and well written, and the photographs are a knock-out. Jingle Davis gives us prime examples of the good and bad in Georgias past as she deftly shows how Jekyll Island fits into the history of the Golden Isles. (Jerald T.

Milanich author of *Laboring in the Fields of the Lord: Spanish Missions and Southeastern Indians*) In her new book, *Island Passages*, Jingle Davis provides a sweeping overview of the history and natural environment of Jekyll Island. Written with a reporter's flair and lavishly illustrated with photographs by Benjamin Galland, this volume is one that lovers of Jekyll Island and coastal Georgia will want to add to their libraries. (June Hall McCash author of *The Jekyll Island Cottage Colony*, *Jekyll Islands Early Years*, and coauthor of *The Jekyll Island Club*) About the Author Jingle Davis is a retired journalist who worked for the *Atlanta Journal-Constitution*, often covering south Georgia and the coast. Ben Galland is a photographer and partner with h2o Creative Group in Brunswick, Georgia. Davis and Galland previously collaborated on *Island Time: An Illustrated History of St. Simons Island, Georgia* (Georgia). Both are St. Simons Island natives.
