Sergio Zagier, John Woram : Islas Galapagos Historical Chart before purchasing it in order to gage whether or

not it would be worth my time, and all praised Islas Galapagos Historical Chart:

Marine chart of the Galapagos Island showing the tracks of the first explorers as well as short descriptions of the expeditions. Small engravings of old ships are included. Bilingual English / Spanish edition. Fray Tomas de Berlanga, David Porter, William Ambrosia Cowley, Herman Mellville, Robert Fitz Roy, Charles Darwin, Rollo Beck, etc. are mentioned. Carta hidrografica historica. Permite seguir el derrotero de los primeros exploradores, incluyendo a Charles Darwin, Robert Fitz Roy, Cowley, Berlanga, Beck, Colnett, Melville, etc.
