Insight Guides : Israel Insight Fleximap (Fleximaps) before purchasing it in order to gage whether or not it would

be worth my time, and all praised Israel Insight Fleximap (Fleximaps):

4 of 4 people found the following review helpful. Indispensable in Israel
By Beatrice Misch
Our son went to Israel recently and we purchased the fleximap for him to use while over there. He's still in country and he has recently told me over the phone that he made good use of this map plus the other materials we bought for him to help him plan and locate the places he wanted to visit. I'm glad we made this purchase and highly recommend this map to others who are planning a trip to Israel (especially for the first time).
