O. Preston Robinson : Israel's Bible lands;: A walk through the past before purchasing it in order to gage whether or not it would be worth my time, and all praised Israel's Bible lands;: A walk through the past:

0 of 0 people found the following review helpful. Five StarsBy Barbara KunzlerIt is a wonderful book, especially since I am going to Israel.0 of 0 people found the following review helpful. Book on IsraelBy DesertwingsYes, just as described.

Israel's Bible Lands, in addition to the authentically written text for each site, is generously illustrated with one full color and several black and white photographs in each section of the book. To those interested in religion and teaching it, this book will lend eye-witness accounts which they will find of great use as they teach about Jesus and the prophets and their work and ministries among the areas so authentically described and illustrated in Israel's Bible Lands.
