Sue Bryant : Israel Travel Pack (Globetrotter Travel Packs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Israel Travel Pack (Globetrotter Travel Packs):

The highly successful "Globetrotter Travel" series, which includes Travel Guides, Maps and Road Atlases, presently covers more than 80 destinations worldwide. The Packs are excellent value, including both a guidebook and a softcover version of the fold-out Globetrotter map of the region, in a printed plastic wallet. The handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by colour photographs, charts and maps for the first-time traveller who wants to experience the major highlights that Israel has to offer. This travel book

surpasses other guides in that it incorporates essential information in an easy-to-carry and easy-to-read format that is attractive and useful at the same time. It provides a visitor with an invaluable introduction to Israel by concisely highlighting the region's 'must see' areas in a practical and user-friendly format, thus encouraging the tourist to make the most of his/her available time. All the essential information you need to get around an unfamiliar region is compacted into useful and practical 'At-a-Glance' sections at the end of each chapter. The fold-out map of Israel is ideal for tourists and visitors. In addition to the main map of Israel, which highlights scenic routes, it features 3 detailed area maps and 9 town plans.
